# GENERAL CATALOGUE

## OF THE

### STUDENTS OF THE PHILADELPHIA HIGH SCHOOL.

~~~~~

DIPLOMAS of two kinds are awarded to the graduates of this institution, first to those who complete the full four years' course of study, and secondly to those who complete a partial course of at least two years. Those who receive the former are ex officio members of the Alumni Association. Those who receive the latter are eligible into the Association at the end of four years from the time of their admission to the School. Since February, 1850, the degree of Bachelor of Arts has been conferred upon all graduates of the full course, and the degree of Master of Arts upon a select number of the same of not less than five years' standing. In the following Catalogue, *fc.* (Full Course) is appended to all who graduated in the Full Course prior to February, 1850, and who have not yet received the degree of Master of Arts; *pc.* (Partial Course) is appended throughout to those who have graduated in the Partial Course; and *a.* (Alumnus) is added to such of the latter as have been elected members of Alumni Association. All whose names are followed by the letters *fc.*, *A.B.*, or *A.M.*, are members ex officio, and are therefore not designated by the additional *a.* Honorary degrees received from other institutions are distinguished from those conferred by the School, by being printed in small capitals. An asterisk (\*) means that the person has deceased; *Att'y* means Attorney at Law; *Cl.*, a Clergyman; *Prof.*, a Professor in some institution entitled to confer academic degrees; *Prin.*, a Principal of a public grammar school; *Col. P.*, a graduate of the College of Pharmacy.
